How To Pay Your Fido Bill

There are many ways to pay your bill.

The fastest and easiest way is by setting up automatic payments from your chequing account or credit card.

To get started, sign in to your account at **fido.ca** or in the Fido My Account app.

You can also make one-time payments every month:

- Online, by signing in to your account on **fido.ca** or the Fido My Account app.
- By calling Fido's interactive phone system: dial 611, free of charge from your Fido phone or 1-888-481-3436.
- At most major Canadian financial institutions. It could take 2 to 5 business days for your payment to reach us.
- By mailing a cheque payable to Fido to the following address: Fido, PO Box 9100, Don Mills, ON, M3C 3P9.

Please indicate your account number on the front of the cheque and allow enough time for delivery and processing.

If we do not receive payment of an amount due on your account by the specified required payment date, it will be subject to a late payment charge of 3% per month. This late payment charge will accrue on a daily basis and will be calculated and compounded monthly on the outstanding amount (42.58% per year) from the date of the first bill on which it appears until the date we receive that amount in full. You agree that we can charge any unpaid and outstanding amount, including any late payment charges, on your account to your credit card, bank account or any other payment method pre-authorized by you for payment of our charges.

To see our complete terms and conditions, visit **fido.ca/terms** or contact us.
